

SUZOHAPP Presents Its Complete Range of Cutting-Edge Solutions at BEGE

LOUD-BEIJERLAND, THE NETHERLANDS November 19, 2018 – SUZOHAPP – a leading technology company with over 50,000 gaming, amusement, sports betting, lottery and bingo products for casino operators and Gaming OEMs – will be exhibiting at the Balkan Entertainment and Gaming Expo (BEGE). BEGE is the meeting point for the gaming and entertainment industry in the Eastern European region. Each year, the exhibition gathers over 5,000 international visitors from 35 countries and offers an outstanding opportunity to establish new business contacts and to present the latest developments in gaming technology.

Taking place in Sofia, Bulgaria from November 21-22, 2018, SUZOHAPP will exhibit at Booth #3.14 and will feature a comprehensive offering of advanced components for gaming machines and sports betting terminals. This includes, but is not limited to, LCD monitors featuring excellent brands, such as Elo Touch Solutions and SUZOHAPP's VisionPro™, in addition to a rich selection of cabinet parts, such as bill validators, printers, coin mechanisms, LCD button decks, pushbuttons, barcode scanners, locks, toppers, and more.

As a major highlight, SUZOHAPP will be showcasing its new VisionPro™ Edge-Lit LED Touch and Non-Touch monitors as well as its next-generation Dynamic Panel Systems - the latest innovation in pushbuttons. Two innovative solutions that demonstrate how SUZOHAPP is developing cutting-edge technology for the requirements of today and tomorrow.

"We are a one-stop-shop with the world's largest offering in the gaming and amusement industry," says Mike Sigona, SUZOHAPP Global Gaming Product Manager and Business Development Manager, Europe. "We can provide our customers with every single component required in a gaming, amusement, and sports betting machine, significantly simplifying their sourcing."

"We are excited to attend this year's BEGE," says Goran Sovilj, SUZOHAPP Executive Vice President of Gaming & Amusement, Europe. "Our broad product range, local resources, and global capability are our greatest strengths. BEGE gives us the chance to meet key decision makers and show them how we can effectively simplify their sourcing and create real value in their business."
